

**THE UNITED STATES BANKRUPTCY COURT  
FOR THE DISTRICT OF MINNESOTA**

IN RE:

Bankruptcy No.: 24-31355

STRATEGIC PORK SOLUTIONS LLC,

Debtor.

---

**PLAN OF REORGANIZATION UNDER SUBCHAPTER V OF CHAPTER 11**

---

**ARTICLE 1: SUMMARY**

This Plan of Reorganization (the “Plan”) under chapter 11 of the Bankruptcy Code (the “Code”) proposes to pay creditors of Strategic Pork Solutions LLC (the “Debtor”) with all of the projected disposable income of the Debtor for a sixty (60) month period. The Plan provides for one (1) class of secured claims; one (1) class of unsecured claims; and one (1) class of equity holder claims. This Plan provides for full payment of administrative and priority claims (to the extent permitted by the Code or the claimant’s agreement).

Each creditor should thoroughly read this Plan for an explanation of the precise treatment of the applicable claims. **Your rights may be affected. You should read these papers carefully and discuss them with your attorney, if you have one. (If you do not have an attorney, you may wish to consult one.)**

The Debtor intends to seek confirmation of this Plan under Section 1191 of the Bankruptcy Code. The Debtor strongly encourages unsecured creditors to vote in favor of the Plan. The Plan is in the best interests of creditors. The alternative to confirmation of the Plan, and distribution of the payments required under the Plan, is a chapter 7 liquidation. The liquidation analysis attached as Exhibit A demonstrates that unsecured creditors will receive more favorable treatment under the Plan than in a liquidation.

The Debtor is no longer a functioning business and this Plan is a liquidation Plan. There are no assets available to pay unsecured creditors.

**ARTICLE 2: CLASSIFICATION OF CLAIMS AND INTERESTS**

Class 1 consists of the allowed secured claim under 11 U.S.C. § 506 of Security Bank Minnesota (“Bank”) (secured by assets of the Debtor).

Class 2 consists of the allowed general unsecured claims of various creditors, wholly unsecured. This class includes the claim of County Line Pork LLC. Any claim of this creditor is a preference as Judgment was entered in Minnesota. County Line Pork may claim a judgment lien on the debtor’s real estate but said claim is a void preference as it was not docketed in Minnesota within 90 days before filing.

**ARTICLE 3: TREATMENT OF ADMINISTRATIVE EXPENSE CLAIMS, PRIORITY TAX CLAIMS AND COURT FEES**

3.01 Unclassified Claims. Under section §1123(a)(1), administrative expense claims, and priority tax claims are not in classes.

The IRS may file a Proof of Claim in the amount of \$5,681.38 for year 2023.

3.02 Administrative Expense Claims. Each holder of an administrative expense claim allowed under § 503 of the Code will be paid in full on the effective date of this Plan (or as soon as practicable thereafter), in cash, or the date on which the Bankruptcy Court enters and order allowing such Administrative Expense, unless the Holder of such Claim agrees to less favorable treatment with respect to such claim.

3.04 United States Trustee/Professional Fees. All fees required to be paid by 28 U.S.C. §1930(a)(6) (U.S. Trustee Fees) will accrue and be timely paid until the case is closed, dismissed, or converted to another chapter of the Code. Any U.S. Trustee Fees owed on or before the effective date of this Plan will be paid on the effective date.

**ARTICLE 4: TREATMENT OF CLAIMS AND INTERESTS**

Claims and interests shall be treated as follows under this Plan:

4.01 Class 1: Class 1 is the allowed secured claim of Security Bank and has a perfected security interest in all assets of the Debtor. The balance of this claim is approximately \$1,100,000. The Debtor elects to surrender to Bank the following collateral in satisfaction of the claim of Bank against the Debtor:

- a. Parcel 1 from Schedules  
Parcel 2 from Schedules  
Parcel 3 has been sold and the net proceeds were or will be paid to Bank.
- b. Debtor's accounts receivable listed in the Schedules have an unknown value but are of questionable value. Bank will dispose of these assets as it deems appropriate.
- c. Debtor's equipment as follows:
  - i. 2021 Kubota Skidloader & 74" bucket and 2022 Kubota subject to Kubota finance
  - ii. Bobcat Skidloader
  - iii. Field Roto tiller
  - iv. Portable loading chute for hogs
- d. Motor vehicles where Bank is listed on title card as follows:
  - i. 2004 FB Trailer
  - ii. 2021 Lincoln Navigator
  - iii. 2019 Ram Pickup 350
  - iv. 2007 Chevy Pickup

Class 1 is impaired and is entitled to vote to accept or reject the Plan.

4.02 Class 2: General Unsecured Claims. “General Unsecured Claims” are not secured by property of the estate and not entitled to priority under Section 507 of the code. Class 2 consists of all the general unsecured claims against the Debtor. As of the date hereof, the Debtor estimates the total pool of allowed general unsecured claims to be \$69,000.00, based on Debtor’s records and claims filed. In full satisfaction of such claims, each Holder of a Class 2 claim shall receive its pro rate share of \$100 per month beginning in January 2025 for 41 months, for a total of \$4,100.00 or until all allowed claims are paid in full, or the liquidation occurs and at that time there will be no on-going income from the liquidated Debtor whichever occurs first. To be clear, once assets have been liquidated or transferred to Bank, no further payment will be made to Class 2 creditors.

Class 2 is impaired and is entitled to vote to accept or reject the Plan.

4.03 Class 3: County Line Cooperative Claims. “County Line” obtained Judgment against the Debtor in Illinois and docketed the Judgment in Faribault County on April 3, 2024, court file no. 22-CV-24-167. Said Judgment was docketed against the Debtor’s property located in Faribault County and was a preference transfer as it was perfected with 90 days of filing the case. The case was filed on May 23, 2024. As a result of the preference transfer, the Judgment is void and of no value. The claim is addressed in Class 2 of this Plan, General unsecured creditor.

Class 3 is impaired and is entitled to vote to accept or reject the Plan.

4.04 Class 4: Equity Holders of the Debtor. This class consists of all ownership interests in Strategic Pork Solutions LLC. Steven Hargis and his spouse owns 100% of the interest and they shall retain their respective interest in the reorganized Debtor, until the liquidation on the remaining assets of the Debtor.

Class 4 is impaired and is entitled to vote to accept or reject the Plan.

## **ARTICLE 5: ALLOWANCE OR DISALLOWANCE OF CLAIMS**

5.01 Disputed Claims: A “Disputed Claim” shall mean a claim that has not been allowed or disallowed by a final non-appealable order., and as to which either: (a) a proof of claim has been filed or deemed filed, and the debtor or another party in interest has filed an objection; or (b) no proof of claim has been filed, and the Debtor has scheduled such claim as disputed, contingent, or unliquidated.

5.02 Payments and Distributions with Respect to Disputed Claim: No payments of distributions will be made in respect of a disputed claim until such claim has been allowed by a final, non-appealable order.

5.03 Settlement of Disputed Claims: The Debtor will have the power and authority to settle and compromise a disputed claim with court approval and compliance with Rule 9019 of the Federal Rules of Bankruptcy Procedure.

## **ARTICLE 6: EXECUTORY CONTRACTS AND UNEXPIRED LEASES**

6.01 Assumed Executory Contracts and Unexpired Leases: The Debtor does not assume pursuant to 11 U.S.C. § 365(a) and any executory contracts.

6.02 Rejection of Executory Contracts and Unexpired Leases: Any executory contract or unexpired lease that (i) has not been expressly assumed or rejected with approval by order of the Bankruptcy Court on or prior to the Confirmation Date, and (ii) is not the subject of a motion to reject pending as of the Confirmation Date will, as of the Confirmation Date, and subject to this section, be deemed to have been rejected by the Debtor. A Proof of Claim for any claim arising from the rejection of any executory contract or unexpired lease must be filed with the Bankruptcy Court no later than 30 days after entry of the order confirming this Plan.

## **ARTICLE 7: MEANS OF IMPLEMENTATION**

7.01 Vesting and Future Income: On the Effective Date, all of the Debtor's respective rights, title, and interest in and to all assets shall vest in the reorganized Debtor, and in accordance with section 1141 of the Bankruptcy Code. The Debtor will use the income generated from the sale of corporate assets to repay its creditors according to the terms of the Plan, along with administrative expenses. The non-exempt property on the bankruptcy schedules is worth less than the value of payments over time to class 2 creditor, so, the best interest of creditors test is satisfied.

7.02 Preservation of Causes of Action.: In accordance with section 1123(b)(3) of the Bankruptcy Code and except as otherwise provided in this Plan, the reorganized Debtor shall retain all causes of action, including causes of action that may exist under sections 542, 544 through 550 and 558 of the Bankruptcy Code or under similar state laws (collectively, the "Retained Actions"), if any. At the date of this Plan, the Debtor is not aware of any such Retained Actions, or if there are any such Retained Actions, the Debtor does not feel the cost of pursuing such Retained Actions would yield a net positive result. The Debtor will have the right to enforce, bring, release, settle or compromise the retained actions, subject to approval of the Bankruptcy Court, including approval of professional fees and expenses with respect to the retained actions. The Debtor shall hold the proceeds of the Retained Actions, if any, in an interest-bearing account pending distribution to unsecured creditors as additional payments to Class 2 creditors.

7.03 Confirmation Pursuant to Section 1191 of the Bankruptcy Code: The Debtor's petition for relief elected to have subchapter V of Chapter 11 to apply to this case. The Debtor requests that the Bankruptcy Court confirm this Plan in accordance with section 1191 of the Bankruptcy Code.

7.04 Default:

- a. Notice of Default: If the Debtor fails to timely make a payment due to any class of this

Plan, if the Debtor defaults any other terms of this Plan, if any default occurs under the loan documents, the relevant creditor may send a written notice of default to the Debtor. Notices of default must be in writing and delivered by first class mail to:

- c. Bank Remedy: If Debtor defaults on any obligation to make payments to Security under this Plan, or any action described above, Bank is entitled to give the Debtor the default notice under this section, 7.04, and if not cured by the deadline, Bank is allowed to commence foreclosure proceedings.
- d. Class 2 Remedy: If Debtor fails to make payment to these creditors on the Effective Date, these creditors are entitled to give the Debtor the default notice under 7.04 and if not cured by the deadline, these creditors can pursue state court collection remedies.

7.05 Distribution of Plan Payments. If the Plan is confirmed pursuant to 11 U.S.C. 1191(a), the Debtor will make all payments under this Plan. If the Plan is confirmed pursuant to 11 U.S.C. § 1191(b), the Trustee will make all payments under this Plan, as required by 11 U.S.C. § 1194.
